CAPABILITY STATEMENT

Multi-Domain Solutions, LLC provides expert support in systems engineering, acquisition planning and management, and test and evaluation throughout all phases of the life cycle. We have depth and experience in both Department of Defense and Intelligence Community programs that deliver war altering aeronautical and aerospace capabilities. We provide expertise and solutions to advance customer capabilities.

CORE COMPETENCIES

♦ SYSTEMS ENGINEERING (PRIMARY)
Comprehensive systems integration services covering requirements, design, development/integration, testing, production, and deployment. Multi-Domain Solutions provides the expertise to develop and manage foundational requirements, schedules, logistics planning, and delivery of aircraft and aerospace capabilities.

♦ PROGRAM / PROJECT MANAGEMENT (PRIMARY)
Program/Project Management support in the areas of acquisition strategy development, planning and execution, portfolio financials, talent management, workforce advancement, and capability delivery and sustainment.

♦ TEST AND EVALUATION
Test and evaluation professionals to provide flight, systems and software evaluators to verify and validate requirements, manage deficiencies, and recommend courses of action for further development.

♦ COLLABORATION
Multi-Domain Solutions has the expertise in cross compartment collaboration between agencies and organizations with like mission sets and complimentary capabilities. We will recommend partnering options to foster program advocacy and support.

DIFFERENTIATORS

- ♦ TS/SCI with CI polygraph cleared.
- ♦ Operational expertise leveraging 20+ years of experience in DoD and IC mission planning and execution. Get End-User assessment of developing capabilities.
- ♦ Formally Trained Testers; experienced flight, systems and software evaluators.
- ♦ Customer-focused approach creates value and builds key relationships to deliver resource responsible technologies.
- ♦ Experience successfully managing and delivering major government programs.
- ♦ Seasoned management and leadership team.

♦ **SAM UEI: CGYNP1MYWGA6**

♦ **CAGE Code: 99SD5**

♦ **SBA certified SDVOSB Mar 2023**

♦ **NAICS Codes:**

541330 Engineering Consulting Services
518210 Data Processing and Related Services
541611 Administrative Management and General Management Services
541618 Other Management Consulting Services
541690 Other Scientific and Technical Consulting Services
